# PIONEER QUEEN

The **Queen** was built in 1968 and was registered at the port of Windsor Ontario. Toronto became her home port and opened for charter in 1996. In 1998, a stern extension was added with a retractable roof. In 2018, The Queen went under major decorative changes to provide an excellent ambiance, fulfilling your requirements and giving it a very unique and contemporary look.

The **Pioneer Queen** can accommodate 200 guests. The cruise's outstanding service is appropriate for a variety of social events throughout the season, especially on holidays, as well as privately chartered events that can cater to themes of your choice. We have recently remodeled interiors with climate-controlled storage and all the amenities that our guests require. We offer a variety of meals as well as drinks and spirits that are for sale on board. Prices are negotiated based on the needs of the client, and you can phone us to make special arrangements. We also accept corporate meetings, and team building, and the boat may be used for production purposes as well.

# PIONEER PRINCESS

The **Pioneer Princess** was built in New Brunswick in 1984. She was registered at the port in Saint John where she started operating as a tour and charter vessel. She was then relocated to Toronto in 1986, after which she upgraded to twin engines, increasing the capacity to 150.

Small events and budget-conscious guests can enjoy the cruise's excellent service. Our fully renovated interiors and open decks are accessible for events featuring delicious cuisine and live music. Choose from a variety of menus. We also have a fully licensed bar that serves different wines, beers, and non-alcoholic drinks. If you want to book the Princess for shorter hours or even just for a few friends, call us and we can customize the package for you. If you need a different kind of venue for parties, corporate meetings, or events, or a great location to shoot for film and video production, give us a call today!
